

## Program Summary

**Notes:** Participants are welcome to join any events. Events are only designated AS/AU and NA/EU to reflect convenience of attending regarding time zones.

Blue indicates events targeted towards guests joining from Asia and Australia (AS/AU).

Orange indicates events targeted towards guests joining from North America and Europe (NA/EU).

We highly encourage everyone to attend the first NA/EU Reception and Social. We will be explaining how to interact on the discussion boards and live discussions, and the conference format.

Conference participants are expected to watch the corresponding abstract presentations and submit any questions to the discussion boards before the live discussion event.
